Specifications of XC6501B28AGR-G

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | XC6501B28AGR-G                                                                                                         |
| MANUFACTURER                     | Torex Semiconductor Ltd.                                                                                               |
| DESCRIPTION                      | IC REG LINEAR 2.85V 200MA 4-USP                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 364852 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">XC6501B28AGR-G.pdf</a> |
| VOLTAGE DROPOUT (MAX)            | 0.36V @ 100mA                                                                                                          |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.85V                                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                                      |
| VOLTAGE - INPUT (MAX)            | 6V                                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 4-USP (1.2x1.6)                                                                                                        |
| SERIES                           | -                                                                                                                      |
| PROTECTION FEATURES              | Over Current, Short Circuit                                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 4-UDFN Exposed Pad                                                                                                     |
| PSRR                             | 50dB (1kHz)                                                                                                            |
| OUTPUT TYPE                      | Fixed                                                                                                                  |
| OUTPUT CONFIGURATION             | Positive                                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                           |
| NUMBER OF REGULATORS             | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 2.85V 200mA 4-USP (1.2x1.6)                                        |
| CURRENT - QUIESCENT (IQ)         | 20µA                                                                                                                   |
| CURRENT - OUTPUT                 | 200mA                                                                                                                  |
| CONTROL FEATURES                 | Enable                                                                                                                 |
| BASE PART NUMBER                 | XC6501                                                                                                                 |
