| MANUFACTURER                     | Nexperia                                                       |
| DESCRIPTION                      | IC RIPPLE COUNTER 14ST 16SOIC                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| QUANTITY AVAILABLE               | 452295 pcs                                                     |
| DATA SHEET                       |                                                                |
| VOLTAGE - SUPPLY                 | 2V ~ 6V                                                        |
| TRIGGER TYPE                     | Negative Edge                                                  |
| TIMING                           | -                                                              |
| SUPPLIER DEVICE PACKAGE          | 16-SO                                                          |
| SERIES                           | 74HC                                                           |
| RESET                            | Asynchronous                                                   |
| PACKAGING                        | Tape & Reel (TR)                                               |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                 |
| OTHER NAMES                      | 935300335118                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                  |
| NUMBER OF ELEMENTS               | 1                                                              |
| NUMBER OF BITS PER ELEMENT       | 14                                                             |
| MOUNTING TYPE                    | Surface Mount                                                  |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                  |
| LOGIC TYPE                       | Binary Counter                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                     |
| DIRECTION                        | Up                                                             |
| DETAILED DESCRIPTION             | Counter IC Binary Counter 1 Element 14 Bit Negative Edge 16-SO |
| COUNT RATE                       | 109MHz                                                         |
| BASE PART NUMBER                 | 74HC4020                                                       |
