|                                  |                                                            |
|----------------------------------|------------------------------------------------------------|
| PART NUMBER                      | TLC5540IPW                                                 |
| MANUFACTURER                     | N/A                                                        |
| DESCRIPTION                      | IC 8-BIT PAR HS A/D CONV 24TSSOP                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                 |
| QUANTITY AVAILABLE               | 11237 pcs                                                  |
| DATA SHEET                       |                                                            |
| VOLTAGE - SUPPLY, DIGITAL        | 5V                                                         |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                         |
| SUPPLIER DEVICE PACKAGE          | 24-TSSOP                                                   |
| SERIES                           | -                                                          |
| SAMPLING RATE (PER SECOND)       | 40M                                                        |
| REFERENCE TYPE                   | External                                                   |
| RATIO - S/H:ADC                  | 1:1                                                        |
| PACKAGING                        | Tube                                                       |
| PACKAGE / CASE                   | 24-TSSOP (0.173", 4.40mm Width)                            |
| OTHER NAMES                      | 296-2184-5                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                               |
| NUMBER OF INPUTS                 | 1                                                          |
| NUMBER OF BITS                   | 8                                                          |
| NUMBER OF A/D CONVERTERS         | 1                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                 |
| INPUT TYPE                       | Single Ended                                               |
| FEATURES                         | -                                                          |
| DETAILED DESCRIPTION             | 8 Bit Analog to Digital Converter 1 Input 1 Flash 24-TSSOP |
| DATA INTERFACE                   | Parallel                                                   |
| CONFIGURATION                    | S/H-ADC                                                    |
| BASE PART NUMBER                 | TLC5540                                                    |
| ARCHITECTURE                     | Flash                                                      |
