

IA30FSN15POM1

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | IA30FSN15POM1                |
| Manufacturer/Brand: | Carlo Gavazzi                |
| Product description | SEN PROX MTL FACE M30 PNP NO |
| Datasheets:         |                              |
| Stock Condition     | 579 pcs stock                |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

Specifications of IA30FSN15POM1

|                                  |                                                                       |
|----------------------------------|-----------------------------------------------------------------------|
| PART NUMBER                      | IA30FSN15POM1                                                         |
| MANUFACTURER                     | Carlo Gavazzi                                                         |
| DESCRIPTION                      | SEN PROX MTL FACE M30 PNP NO                                          |
| LEAD FREE STATUS / ROHS STATUS   |                                                                       |
| QUANTITY AVAILABLE               | 579 pcs                                                               |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                           |
| TERMINATION STYLE                | Connector                                                             |
| SHIELDING                        | Unshielded                                                            |
| SERIES                           | IA                                                                    |
| SENSOR TYPE                      | Inductive                                                             |
| SENSING DISTANCE                 | 0.59" (15mm)                                                          |
| RESPONSE FREQUENCY               | 1kHz                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded - M30                                              |
| OPERATING TEMPERATURE            | -25°C ~ 70°C (TA)                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | Not Applicable                                                        |
| MATERIAL - BODY                  | Diecast Metal                                                         |
| INGRESS PROTECTION               | IP67                                                                  |
| INDICATOR                        | LED                                                                   |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.59" (15mm) IP67 Cylinder, Threaded - M30 |
