| MANUFACTURER                     | STMicroelectronics                                                                            |
| DESCRIPTION                      | IC BALLAST CTRL TL/CFL 8-SOIC                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| QUANTITY AVAILABLE               | 122364 pcs                                                                                    |
| DATA SHEET                       |  L6520.pdf |
| VOLTAGE - SUPPLY                 | 10.5 V ~ 18.5 V                                                                               |
| TYPE                             | CFL/TL Controller                                                                             |
| SUPPLIER DEVICE PACKAGE          | 8-SO                                                                                          |
| SERIES                           | -                                                                                             |
| PACKAGING                        | Tube                                                                                          |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                 |
| OPERATING TEMPERATURE            | -25°C ~ 85°C                                                                                  |
| MOUNTING TYPE                    | Surface Mount                                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                    |
| FREQUENCY                        | 46kHz ~ 47.2kHz                                                                               |
| DIMMING                          | No                                                                                            |
| CURRENT - SUPPLY                 | 8mA                                                                                           |
| CURRENT - OUTPUT SOURCE/SINK     | -                                                                                             |
| BASE PART NUMBER                 | L6520                                                                                         |
