| DESCRIPTION                      | MODEM RF ETHERNET 900MHZ 9600BPS                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                     |
| QUANTITY AVAILABLE               | 3486 pcs                                                               |
| DATA SHEET                       |                                                                        |
| VOLTAGE - SUPPLY                 | 7 V ~ 28 V                                                             |
| SERIES                           | XStream™                                                               |
| SENSITIVITY                      | -110dBm                                                                |
| POWER - OUTPUT                   | 20dBm (100mW)                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| MODULATION OR PROTOCOL           | FHSS, FSK                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                     |
| INTERFACE                        | RJ-45 Ethernet                                                         |
| FUNCTION                         | Transceiver, Modem                                                     |
| FREQUENCY                        | 902MHz ~ 928MHz                                                        |
| FEATURES                         | Kit                                                                    |
| DETAILED DESCRIPTION             | RF Transceiver, Modem 902MHz ~ 928MHz FHSS, FSK RJ-45 Ethernet 9.6kbps |
| DATA RATE (MAX)                  | 9.6kbps                                                                |
| APPLICATIONS                     | ISM                                                                    |
