

SII Semiconductor Corporation

S-1721E2530-I6T1U

Part Number:  
S-1721E2530-I6T1U

Manufacturer/Brand:  
SII Semiconductor Corporation

Product description:  
IC REG LIN 2.5V/3V 150MA SNT6A

Datasheets:  
 S-1721E2530-I6T1U.pdf

RoHs Status:  
 Lead free / RoHS Compliant

Stock Condition:  
260242 pcs stock

Ship From:  
Hong Kong

Shipment Way:  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of S-1721E2530-I6T1U

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  S-1721E2530-I6T1U.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.24V @ 100mA, 0.23V @ 100mA                                                                              |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 2.5V, 3V                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                         |
| VOLTAGE - INPUT (MAX)            | 6.5V                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | SNT-6A                                                                                                    |
| SERIES                           | S-1721                                                                                                    |
| PROTECTION FEATURES              | Over Current                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 6-SMD, Flat Leads                                                                                         |
| PSRR                             | 75dB (1kHz), 75dB (1kHz)                                                                                  |
| OUTPUT TYPE                      | Fixed                                                                                                     |
| OUTPUT CONFIGURATION             | Positive                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                         |
| NUMBER OF REGULATORS             | 2                                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 2 Output 2.5V, 3V 150mA SNT-6A                                 |
| CURRENT - SUPPLY (MAX)           | 45µA                                                                                                      |
| CURRENT - QUIESCENT (IQ)         | 1µA                                                                                                       |
| CURRENT - OUTPUT                 | 150mA                                                                                                     |
| CONTROL FEATURES                 | Enable                                                                                                    |
