| QUANTITY AVAILABLE                | 76073 pcs                                                                                           |
| DATA SHEET                        |  ISL28430FBZ.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.8 V ~ 5.5 V, ±0.9 V ~ 2.75 V                                                                      |
| VOLTAGE - INPUT OFFSET            | 5µV                                                                                                 |
| SUPPLIER DEVICE PACKAGE           | 14-SOIC                                                                                             |
| SLEW RATE                         | 0.2 V/µs                                                                                            |
| SERIES                            | -                                                                                                   |
| PACKAGING                         | Tube                                                                                                |
| PACKAGE / CASE                    | 14-SOIC (0.154", 3.90mm Width)                                                                      |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                        |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                       |
| NUMBER OF CIRCUITS                | 4                                                                                                   |
| MOUNTING TYPE                     | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 2 (1 Year)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                          |
| GAIN BANDWIDTH PRODUCT            | 400kHz                                                                                              |
| DETAILED DESCRIPTION              | General Purpose Amplifier 4 Circuit Rail-to-Rail 14-SOIC                                            |
| CURRENT - SUPPLY                  | 20mA                                                                                                |
| CURRENT - OUTPUT / CHANNEL        | 15mA                                                                                                |
| CURRENT - INPUT BIAS              | 250pA                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                     |
