

ON Semiconductor®

ON

AMI Semiconductor / ON

Semiconductor

Part Number:CAT5132ZI-00-GT3

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC POT DIGITL 100K 128TAP 10MSOP

Datasheets: CAT5132ZI-00-GT3.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:59502 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of CAT5132ZI-00-GT3

|                                  |                                                                                                          |
|----------------------------------|----------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CAT5132ZI-00-GT3                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                     |
| DESCRIPTION                      | IC POT DIGITL 100K 128TAP 10MSOP                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| QUANTITY AVAILABLE               | 59502 pcs                                                                                                |
| DATA SHEET                       |  CAT5132ZI-00-GT3.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V, 8 V ~ 16 V                                                                                |
| TOLERANCE                        | ±20%                                                                                                     |
| TEMPERATURE COEFFICIENT (TYP)    | ±300 ppm/°C                                                                                              |
| TAPER                            | Linear                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                                                                                  |
| SERIES                           | -                                                                                                        |
| RESISTANCE - WIPER (OHMS) (TYP)  | 110                                                                                                      |
| RESISTANCE (OHMS)                | 100k                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                         |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                                 |
| OTHER NAMES                      | 5132ZI-00-GT3<br>CAT5132ZI-00-GT3TR                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                             |
| NUMBER OF TAPS                   | 128                                                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| MEMORY TYPE                      | Non-Volatile                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| INTERFACE                        | I²C                                                                                                      |
| FEATURES                         | Selectable Address                                                                                       |
| DETAILED DESCRIPTION             | Digital Potentiometer 100k Ohm 1 Circuit 128 Taps I²C Interface 10-MSOP                                  |
| CONFIGURATION                    | Potentiometer                                                                                            |
| BASE PART NUMBER                 | CAT5132                                                                                                  |
