| VOLTAGE - SUPPLY                 | 1.71 V ~ 3.47 V                                                                                                   |
| SUPPLIER DEVICE PACKAGE          | 64-QFN (9x9)                                                                                                      |
| SERIES                           | -                                                                                                                 |
| RATIO - INPUT:OUTPUT             | 4:10                                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                                  |
| PACKAGE / CASE                   | 64-VFQFN Exposed Pad                                                                                              |
| PLL                              | Yes                                                                                                               |
| OUTPUT                           | CML, HCSL, LVCMOS, LVDS, LVPECL                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                      |
| NUMBER OF CIRCUITS               | 1                                                                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                        |
| INPUT                            | LVCMOS, LVDS, LVPECL, Crystal                                                                                     |
| FREQUENCY - MAX                  | 712.5MHz                                                                                                          |
| DIVIDER/MULTIPLIER               | Yes/No                                                                                                            |
| DIFFERENTIAL - INPUT:OUTPUT      | Yes/Yes                                                                                                           |
