### ATA6286N-PNPW 19

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | ATA6286N-PNPW 19                                                                                             |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC CTRL/XMITTER 433MHZ 32QFN                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3506 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

#### Specifications of ATA6286N-PNPW 19

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | ATA6286N-PNPW 19                                                                                       |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                          |
| DESCRIPTION                      | IC CTRL/XMITTER 433MHZ 32QFN                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 3506 pcs                                                                                               |
| DATA SHEET                       |                                                                                                        |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                                                            |
| SERIES                           | -                                                                                                      |
| POWER - OUTPUT                   | 6dBm                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 32-VFQFN Exposed Pad                                                                                   |
| OTHER NAMES                      | ATA6286N-PNPW<br>ATA6286N-PNPW 19-ND<br>ATA6286N-PNPW 19TR-ND<br>ATA6286N-PNPW-ND<br>ATA6286N-PNPW19TR |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                          |
| MODULATION OR PROTOCOL           | ASK, FSK                                                                                               |
| MEMORY SIZE                      | -                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| FREQUENCY                        | 433MHz                                                                                                 |
| FEATURES                         | -                                                                                                      |
| DETAILED DESCRIPTION             | RF Transmitter ASK, FSK 433MHz 6dBm 20kbps PCB, Surface Mount Antenna 32-VFQFN Exposed Pad             |
| DATA RATE (MAX)                  | 20kbps                                                                                                 |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                     |
| CURRENT - TRANSMITTING           | 8.5mA                                                                                                  |
| APPLICATIONS                     | TPM (Tire Pressure Monitor)                                                                            |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                     |
