| DESCRIPTION                      | IC REG LIN 3.3V 800MA DDPAK                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                            |
| QUANTITY AVAILABLE               | 5699 pcs                                                                      |
| DATA SHEET                       |                                                                               |
| VOLTAGE DROPOUT (MAX)            | 0.35V @ 800mA                                                                 |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.3V                                                                          |
| VOLTAGE - OUTPUT (MAX)           | -                                                                             |
| VOLTAGE - INPUT (MAX)            | 7V                                                                            |
| SUPPLIER DEVICE PACKAGE          | DDPAK/TO-263-5                                                                |
| SERIES                           | -                                                                             |
| PROTECTION FEATURES              | Over Current, Over Temperature, Short Circuit                                 |
| PACKAGING                        | Tube                                                                          |
| PACKAGE / CASE                   | TO-263-6, D <sup>2</sup> Pak (5 Leads + Tab), TO-263BA                        |
| PSRR                             | -                                                                             |
| OUTPUT TYPE                      | Fixed                                                                         |
| OUTPUT CONFIGURATION             | Positive                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                 |
| NUMBER OF REGULATORS             | 1                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.3V 800mA DDPAK/TO-263-5 |
| CURRENT - SUPPLY (MAX)           | 15mA                                                                          |
| CURRENT - QUIESCENT (IQ)         | 9mA                                                                           |
| CURRENT - OUTPUT                 | 800mA                                                                         |
| CONTROL FEATURES                 | Enable                                                                        |
| BASE PART NUMBER                 | LP3961                                                                        |
