| MANUFACTURER                      | LAPIS Semiconductor                                                                                     |
| DESCRIPTION                       | HIGH SPEED GROUND SENSE OPERATIO                                                                        |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE                | 78877 pcs                                                                                               |
| DATA SHEET                        |  1.BA3472YFV-CE2.pdf |
|                                   |  2.BA3472YFV-CE2.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 36 V, ±1.5 V ~ 18 V                                                                               |
| SUPPLIER DEVICE PACKAGE           | 8-SSOPB                                                                                                 |
| SLEW RATE                         | 10 V/μs                                                                                                 |
| SERIES                            | Automotive, AEC-Q100                                                                                    |
| PACKAGING                         | Cut Tape (CT)                                                                                           |
| PACKAGE / CASE                    | 8-TSSOP (0.173", 4.40mm Width)                                                                          |
| OUTPUT TYPE                       | -                                                                                                       |
| OTHER NAMES                       | BA3472YFV-CE2CT                                                                                         |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                                           |
| NUMBER OF CIRCUITS                | 2                                                                                                       |
| MOUNTING TYPE                     | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                              |
| GAIN BANDWIDTH PRODUCT            | 4MHz                                                                                                    |
| DETAILED DESCRIPTION              | General Purpose Amplifier 2 Circuit 8-SSOPB                                                             |
| CURRENT - SUPPLY                  | 4mA                                                                                                     |
| CURRENT - OUTPUT / CHANNEL        | 30mA                                                                                                    |
| CURRENT - INPUT BIAS              | 100nA                                                                                                   |
| AMPLIFIER TYPE                    | General Purpose                                                                                         |
