| VOLTAGE - SUPPLY                 | 3 V ~ 24 V                                                                    |
| TEST CONDITION                   | -40°C ~ 150°C                                                                 |
| TECHNOLOGY                       | Hall Effect                                                                   |
| SUPPLIER DEVICE PACKAGE          | SOT-23-3                                                                      |
| SERIES                           | SS340RT                                                                       |
| SENSING RANGE                    | -13.5mT Trip, -1mT Release                                                    |
| POLARIZATION                     | North Pole                                                                    |
| PACKAGING                        | Tape & Reel (TR)                                                              |
| PACKAGE / CASE                   | TO-236-3, SC-59, SOT-23-3                                                     |
| OUTPUT TYPE                      | Open Collector                                                                |
| OTHER NAMES                      | 480-5346-2<br>SS341RT-ND                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 150°C (TA)                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| FUNCTION                         | Unipolar Switch                                                               |
| FEATURES                         | -                                                                             |
| DETAILED DESCRIPTION             | Digital Switch Unipolar Switch Open Collector Hall Effect SOT-23-3            |
| CURRENT - SUPPLY (MAX)           | 8mA                                                                           |
| CURRENT - OUTPUT (MAX)           | 20mA                                                                          |
