| FREQUENCY                        | 850MHz ~ 950MHz                                                                                             |
| FEATURES                         | -                                                                                                           |
| DETAILED DESCRIPTION             | RF Transmitter FSK 850MHz ~ 950MHz -7dBm ~ 12dBm PCB, Surface Mount Antenna 24-TSSOP (0.173", 4.40mm Width) |
| DATA RATE (MAX)                  | -                                                                                                           |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                          |
| CURRENT - TRANSMITTING           | 58mA                                                                                                        |
| APPLICATIONS                     | -                                                                                                           |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                          |
