

TLV3492AIDCNTG4

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | TLV3492AIDCNTG4                                                                                              |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC COMPARATR P-P NANOPWR SOT23-8                                                                             |
| Datasheets:         |                                                                                                              |
| RoHS Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 102268 pcs stock                                                                                             |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of TLV3492AIDCNTG4

|                                   |                                                                   |
|-----------------------------------|-------------------------------------------------------------------|
| PART NUMBER                       | TLV3492AIDCNTG4                                                   |
| MANUFACTURER                      | N/A                                                               |
| DESCRIPTION                       | IC COMPARATR P-P NANOPWR SOT23-8                                  |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                        |
| QUANTITY AVAILABLE                | 102268 pcs                                                        |
| DATA SHEET                        |                                                                   |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 1.8 V ~ 5.5 V                                                     |
| VOLTAGE - INPUT OFFSET (MAX)      | 15mV @ 5.5V                                                       |
| TYPE                              | General Purpose                                                   |
| SUPPLIER DEVICE PACKAGE           | SOT-23-8                                                          |
| SERIES                            | -                                                                 |
| PROPAGATION DELAY (MAX)           | 13.5µs                                                            |
| PACKAGING                         | Tape & Reel (TR)                                                  |
| PACKAGE / CASE                    | SOT-23-8                                                          |
| OUTPUT TYPE                       | CMOS, Push-Pull, Rail-to-Rail                                     |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                     |
| NUMBER OF ELEMENTS                | 2                                                                 |
| MOUNTING TYPE                     | Surface Mount                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                     |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                        |
| HYSTERESIS                        | -                                                                 |
| DETAILED DESCRIPTION              | Comparator General Purpose CMOS, Push-Pull, Rail-to-Rail SOT-23-8 |
| CURRENT - QUIESCENT (MAX)         | 1.2µA                                                             |
| CURRENT - OUTPUT (TYP)            | -                                                                 |
| CURRENT - INPUT BIAS (MAX)        | 10pA @ 5.5V                                                       |
| CMRR, PSRR (TYP)                  | 74dB CMRR, 69.12dB PSRR                                           |
| BASE PART NUMBER                  | TLV3492                                                           |
