| FEATURES                       | -                                                                                                   |
| DETAILED DESCRIPTION           | RF Transmitter FM 315MHz 5dBm 9.6kbps PCB, Surface Mount Antenna Module                             |
| DATA RATE (MAX)                | 9.6kbps                                                                                             |
| DATA INTERFACE                 | PCB, Through Hole                                                                                   |
| CURRENT - TRANSMITTING         | 7mA                                                                                                 |
| APPLICATIONS                   | Car Alarms, Remote Sensing, Wireless Security                                                       |
| ANTENNA CONNECTOR              | PCB, Surface Mount                                                                                  |
