PCA24S08ADP,118

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | PCA24S08ADP,118                                                                                              |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC EEPROM 8K I2C 400KHZ 8TSSOP                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 228141 pcs stock                                                                                             |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of PCA24S08ADP,118

|                                  |                                                  |
|----------------------------------|--------------------------------------------------|
| PART NUMBER                      | PCA24S08ADP,118                                  |
| MANUFACTURER                     | NXP Semiconductors / Freescale                   |
| DESCRIPTION                      | IC EEPROM 8K I2C 400KHZ 8TSSOP                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                       |
| QUANTITY AVAILABLE               | 228141 pcs                                       |
| DATA SHEET                       |                                                  |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                |
| VOLTAGE - SUPPLY                 | 2.5 V ~ 3.6 V                                    |
| TECHNOLOGY                       | EEPROM                                           |
| SUPPLIER DEVICE PACKAGE          | 8-TSSOP                                          |
| SERIES                           | -                                                |
| PACKAGING                        | Tape & Reel (TR)                                 |
| PACKAGE / CASE                   | 8-TSSOP, 8-MSOP (0.118", 3.00mm Width)           |
| OTHER NAMES                      | 568-5062-2<br>935290059118<br>PCA24S08ADP118     |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                |
| MOUNTING TYPE                    | Surface Mount                                    |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                    |
| MEMORY TYPE                      | Non-Volatile                                     |
| MEMORY SIZE                      | 8Kb (1K x 8)                                     |
| MEMORY INTERFACE                 | I²C                                              |
| MEMORY FORMAT                    | EEPROM                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                       |
| DETAILED DESCRIPTION             | EEPROM Memory IC 8Kb (1K x 8) I²C 400kHz 8-TSSOP |
| CLOCK FREQUENCY                  | 400kHz                                           |
| BASE PART NUMBER                 | PCA24S08                                         |
