| QUANTITY AVAILABLE                | 34091 pcs                                                                                             |
| DATA SHEET                        |  LT6211IDD#PBF.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3 V ~ 12 V, ±1.5 V ~ 6 V                                                                              |
| VOLTAGE - INPUT OFFSET            | 1mV                                                                                                   |
| SUPPLIER DEVICE PACKAGE           | 10-DFN (3x3)                                                                                          |
| SLEW RATE                         | 700 V/μs                                                                                              |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tube                                                                                                  |
| PACKAGE / CASE                    | 10-WFDFN Exposed Pad                                                                                  |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                          |
| OPERATING TEMPERATURE             | -40°C ~ 85°C                                                                                          |
| NUMBER OF CIRCUITS                | 2                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION              | Current Feedback Amplifier 2 Circuit Rail-to-Rail 10-DFN (3x3)                                        |
| CURRENT - SUPPLY                  | 6mA                                                                                                   |
| CURRENT - OUTPUT / CHANNEL        | 75mA                                                                                                  |
| CURRENT - INPUT BIAS              | 13.5μA                                                                                                |
| BASE PART NUMBER                  | LT6211                                                                                                |
| AMPLIFIER TYPE                    | Current Feedback                                                                                      |
| -3DB BANDWIDTH                    | 200MHz                                                                                                |
