| DESCRIPTION                      | IC MOTOR CONTROLLER PAR 28DIP                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE               | 2082 pcs                                                              |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                         |
| VOLTAGE - LOAD                   | -                                                                     |
| TECHNOLOGY                       | -                                                                     |
| SUPPLIER DEVICE PACKAGE          | 28-DIP                                                                |
| STEP RESOLUTION                  | -                                                                     |
| SERIES                           | -                                                                     |
| PACKAGING                        | Tube                                                                  |
| PACKAGE / CASE                   | 28-DIP (0.600", 15.24mm)                                              |
| OUTPUT CONFIGURATION             | Pre-Driver - Half Bridge (4)                                          |
| OTHER NAMES                      | *LM628N-6<br>*LM628N-6/NOPB<br>LM628N-6<br>LM628N-6-ND<br>LM628N6NOPB |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                     |
| MOUNTING TYPE                    | Through Hole                                                          |
| MOTOR TYPE - STEPPER             | -                                                                     |
| MOTOR TYPE - AC, DC              | Brushless DC (BLDC) Servo, Brushed DC Servo                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INTERFACE                        | Parallel                                                              |
| FUNCTION                         | Controller - Commutation, Direction Management                        |
| DETAILED DESCRIPTION             | Motor Driver Parallel 28-DIP                                          |
| CURRENT - OUTPUT                 | -                                                                     |
| BASE PART NUMBER                 | LM628                                                                 |
| APPLICATIONS                     | General Purpose                                                       |
