DN6849SE

|                     |                               |
|---------------------|-------------------------------|
| Part Number:        | DN6849SE                      |
| Manufacturer/Brand: | Panasonic                     |
| Product description | MAGNETIC SWITCH BIPOLAR 3SSIP |
| Datasheets:         |                               |
| RoHs Status         | Lead free / RoHS Compliant    |
| Stock Condition     | 5705 pcs stock                |
| Ship From           | Hong Kong                     |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS         |

Specifications of DN6849SE

|                                  |                                                                 |
|----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                      | DN6849SE                                                        |
| MANUFACTURER                     | Panasonic                                                       |
| DESCRIPTION                      | MAGNETIC SWITCH BIPOLAR 3SSIP                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| QUANTITY AVAILABLE               | 5705 pcs                                                        |
| DATA SHEET                       |                                                                 |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 16 V                                                    |
| TEST CONDITION                   | 25°C                                                            |
| TECHNOLOGY                       | Hall Effect                                                     |
| SUPPLIER DEVICE PACKAGE          | 3-SSIP                                                          |
| SERIES                           | -                                                               |
| SENSING RANGE                    | -17mT Trip, 17.5mT Release                                      |
| POLARIZATION                     | North Pole                                                      |
| PACKAGING                        | Bulk                                                            |
| PACKAGE / CASE                   | TO-226-3, TO-92-3 (TO-226AA)                                    |
| OUTPUT TYPE                      | Open Collector                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 100°C (TA)                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                      |
| FUNCTION                         | Bipolar Switch                                                  |
| FEATURES                         | Temperature Compensated                                         |
| DETAILED DESCRIPTION             | Digital Switch Bipolar Switch Open Collector Hall Effect 3-SSIP |
| CURRENT - SUPPLY (MAX)           | 6mA                                                             |
| CURRENT - OUTPUT (MAX)           | 10μA                                                            |
