| DESCRIPTION                      | IC POT DGTL 50K 64POS SOT23                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 6382 pcs                                                                                                   |
| DATA SHEET                       |  AD5273BRJZ50-REEL7.pdf |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                                              |
| TOLERANCE                        | ±30%                                                                                                       |
| TEMPERATURE COEFFICIENT (TYP)    | 300 ppm/°C                                                                                                 |
| TAPER                            | Linear                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | SOT-23-8                                                                                                   |
| SERIES                           | -                                                                                                          |
| RESISTANCE - WIPER (OHMS) (TYP)  | 60                                                                                                         |
| RESISTANCE (OHMS)                | 50k                                                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | SOT-23-8                                                                                                   |
| OTHER NAMES                      | AD5273BRJZ50-REEL7-ND<br>AD5273BRJZ50-REEL7TR<br>AD5273BRJZ50REEL7                                         |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                              |
| NUMBER OF TAPS                   | 64                                                                                                         |
| NUMBER OF CIRCUITS               | 1                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| MEMORY TYPE                      | OTP                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| INTERFACE                        | I²C                                                                                                        |
| FEATURES                         | Selectable Address                                                                                         |
| DETAILED DESCRIPTION             | Digital Potentiometer 50k Ohm 1 Circuit 64 Taps I²C Interface SOT-23-8                                     |
| CONFIGURATION                    | Potentiometer                                                                                              |
