

ON Semiconductor®

AMI Semiconductor / ON

Semiconductor

Part Number:MC33035DW

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC MOTOR CONTROLLER ANALOG 24SO

Datasheets: MC33035DW.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:6211 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC33035DW

|                                  |                                                                                                   |
|----------------------------------|---------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC33035DW                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                              |
| DESCRIPTION                      | IC MOTOR CONTROLLER ANALOG 24SO                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                |
| QUANTITY AVAILABLE               | 6211 pcs                                                                                          |
| DATA SHEET                       |  MC33035DW.pdf |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                                                                       |
| VOLTAGE - LOAD                   | -                                                                                                 |
| TECHNOLOGY                       | -                                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                                           |
| STEP RESOLUTION                  | -                                                                                                 |
| SERIES                           | -                                                                                                 |
| PACKAGING                        | Tube                                                                                              |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                                                    |
| OUTPUT CONFIGURATION             | Pre-Driver - Half Bridge (3)                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                 |
| MOUNTING TYPE                    | Surface Mount                                                                                     |
| MOTOR TYPE - STEPPER             | -                                                                                                 |
| MOTOR TYPE - AC, DC              | Brushless DC (BLDC)                                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                |
| INTERFACE                        | Analog                                                                                            |
| FUNCTION                         | Controller - Commutation, Direction Management                                                    |
| DETAILED DESCRIPTION             | Motor Driver Analog 24-SOIC                                                                       |
| CURRENT - OUTPUT                 | -                                                                                                 |
| BASE PART NUMBER                 | MC33035                                                                                           |
| APPLICATIONS                     | General Purpose                                                                                   |
