| DATA SHEET                             |  <a href="#">ADG711BR.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE (V+)          | 1.8 V ~ 5.5 V                                                                                                    |
| VOLTAGE - SUPPLY, DUAL (V±)            | -                                                                                                                |
| SWITCH TIME (TON, TOFF) (MAX)          | 11ns, 6ns (Typ)                                                                                                  |
| SWITCH CIRCUIT                         | SPST - NC                                                                                                        |
| SUPPLIER DEVICE PACKAGE                | 16-SOIC                                                                                                          |
| SERIES                                 | -                                                                                                                |
| PACKAGING                              | Tube                                                                                                             |
| PACKAGE / CASE                         | 16-SOIC (0.154", 3.90mm Width)                                                                                   |
| OPERATING TEMPERATURE                  | -40°C ~ 85°C (TA)                                                                                                |
| ON-STATE RESISTANCE (MAX)              | 4 Ohm                                                                                                            |
| NUMBER OF CIRCUITS                     | 4                                                                                                                |
| MULTIPLEXER/DEMULTIPLEXER CIRCUIT      | 1:1                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL)       | 1 (Unlimited)                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS         | Contains lead / RoHS non-compliant                                                                               |
| DETAILED DESCRIPTION                   | 4 Circuit IC Switch 1:1 4 Ohm 16-SOIC                                                                            |
| CURRENT - LEAKAGE (IS(OFF)) (MAX)      | 100pA                                                                                                            |
| CROSSTALK                              | -90dB @ 10MHz                                                                                                    |
| CHARGE INJECTION                       | 3pC                                                                                                              |
| CHANNEL-TO-CHANNEL MATCHING (ΔRON)     | -                                                                                                                |
| CHANNEL CAPACITANCE (CS(OFF), CD(OFF)) | 10pF, 10pF                                                                                                       |
| BASE PART NUMBER                       | ADG711                                                                                                           |
| -3DB BANDWIDTH                         | 200MHz                                                                                                           |
