MCP795B21-I/SL

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MCP795B21-I/SL                                                                                               |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC RTC CLK/CALENDAR SPI 14-SOIC                                                                              |
| Datasheets:         |  MCP795B21-I/SL.pdf         |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 3832 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

Specifications of MCP795B21-I/SL

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MCP795B21-I/SL                                                                                         |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                          |
| DESCRIPTION                      | IC RTC CLK/CALENDAR SPI 14-SOIC                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 3832 pcs                                                                                               |
| DATA SHEET                       |  MCP795B21-I/SL.pdf |
| VOLTAGE - SUPPLY, BATTERY        | 1.3 V ~ 5.5 V                                                                                          |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 5.5 V                                                                                          |
| TYPE                             | Clock/Calendar                                                                                         |
| TIME FORMAT                      | HH:MM:SS:hh (12/24 hr)                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 14-SOIC                                                                                                |
| SERIES                           | -                                                                                                      |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 14-SOIC (0.154", 3.90mm Width)                                                                         |
| OTHER NAMES                      | MCP795B21ISL                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| MEMORY SIZE                      | 64B                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INTERFACE                        | SPI                                                                                                    |
| FEATURES                         | Alarm, EEPROM, Leap Year, Square Wave Output, SRAM, Unique ID, Watchdog Timer                          |
| DETAILED DESCRIPTION             | Real Time Clock (RTC) IC Clock/Calendar 64B SPI 14-SOIC (0.154", 3.90mm Width)                         |
| DATE FORMAT                      | YY-MM-DD-dd                                                                                            |
| CURRENT - TIMEKEEPING (MAX)      | 1µA @ 1.8V ~ 5.5V                                                                                      |
