| FREQUENCY                        | 315MHz, 433MHz                                                                                       |
| FEATURES                         | -                                                                                                    |
| DETAILED DESCRIPTION             | - RF Receiver ASK 315MHz, 433MHz -114dBm 33 kbps PCB, Surface Mount 28-TSSOP                         |
| DATA RATE (MAX)                  | 33 kbps                                                                                              |
| DATA INTERFACE                   | PCB, Surface Mount                                                                                   |
| CURRENT - RECEIVING              | 5.2mA                                                                                                |
| APPLICATIONS                     | Automotive RKE, Remote Controls, Wireless Sensors                                                    |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                   |
