

V220BN

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | V220BN                         |
| Manufacturer/Brand: | Laird Technologies - Antennas  |
| Product description | RF ANT 223MHZ WHIP STR BN CONN |
| Datasheets:         | V220BN.pdf                     |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 7394 pcs stock                 |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

REQUEST FOR QUOTATION

Specifications of V220BN

| MANUFACTURER                     | Laird Technologies - Antennas                                                       |
| DESCRIPTION                      | RF ANT 223MHZ WHIP STR BN CONN                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| QUANTITY AVAILABLE               | 7394 pcs                                                                            |
| DATA SHEET                       | V220BN.pdf                                                                          |
| VSWR                             | 1.5                                                                                 |
| TERMINATION                      | Connector, BN                                                                       |
| SERIES                           | Tuf Duck®                                                                           |
| RETURN LOSS                      | -                                                                                   |
| PACKAGING                        | Bulk                                                                                |
| NUMBER OF BANDS                  | 1                                                                                   |
| MOUNTING TYPE                    | Connector Mount                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                          |
| INGRESS PROTECTION               | -                                                                                   |
| HEIGHT (MAX)                     | 17.000" (431.80mm)                                                                  |
| GAIN                             | 0dBi                                                                                |
| FREQUENCY RANGE                  | 220MHz ~ 225MHz                                                                     |
| FREQUENCY GROUP                  | VHF (f < 300 MHz)                                                                   |
| FREQUENCY (CENTER/BAND)          | 223MHz                                                                              |
| FEATURES                         | -                                                                                   |
| DETAILED DESCRIPTION             | 223MHz Whip, Straight RF Antenna 220MHz ~ 225MHz 0dBi Connector, BN Connector Mount |
| APPLICATIONS                     | -                                                                                   |
| ANTENNA TYPE                     | Whip, Straight                                                                      |
