

LM211QDG4

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LM211QDG4                                                                                                    |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC DIFF COMPARATOR STROBE 8SOIC                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 346856 pcs stock                                                                                             |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

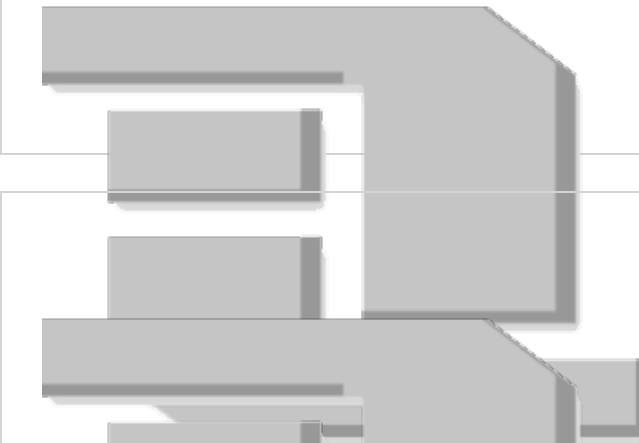

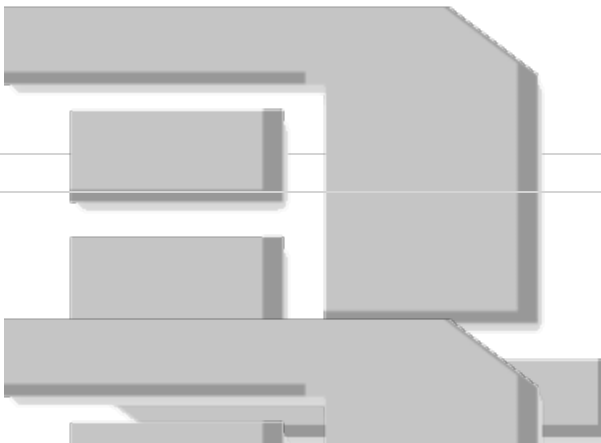

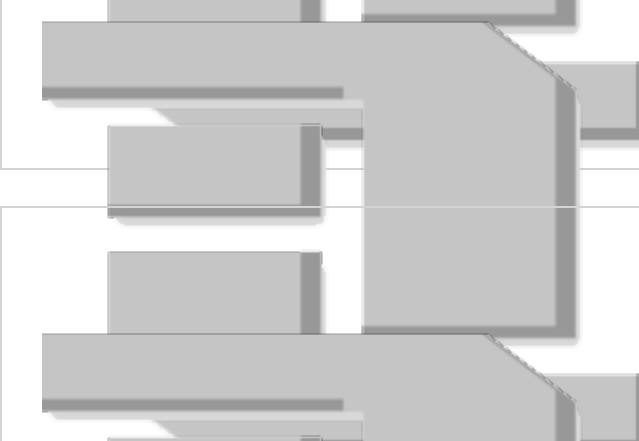

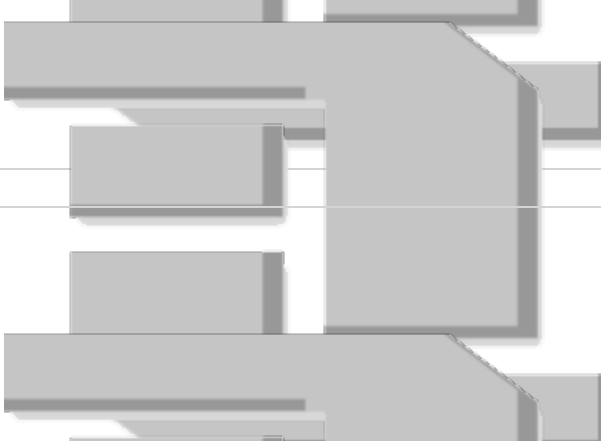

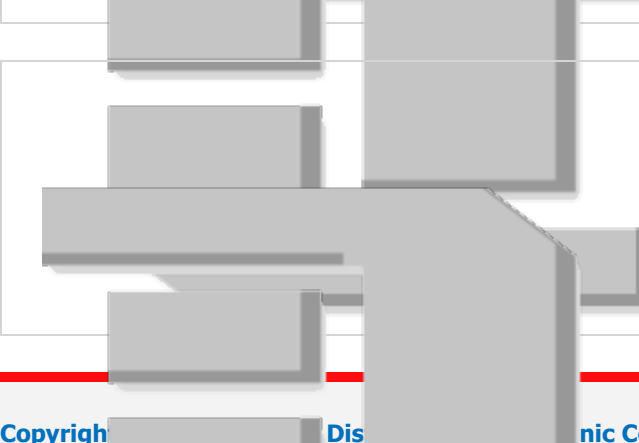

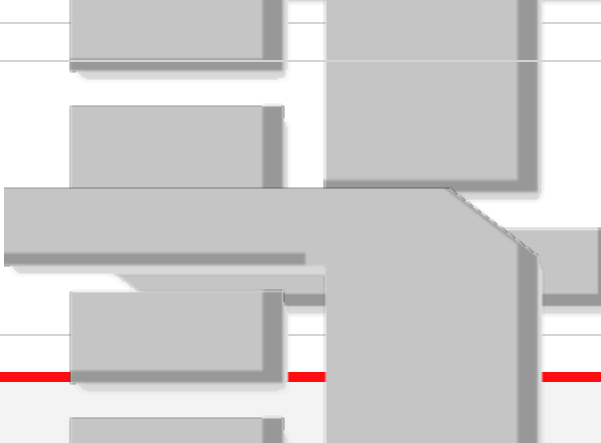

Specifications of LM211QDG4

|                                   |                                                                                    |
|-----------------------------------|------------------------------------------------------------------------------------|
| PART NUMBER                       | LM211QDG4                                                                          |

| DESCRIPTION                       | IC DIFF COMPARATOR STROBE 8SOIC                                                    |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE                | 346856 pcs                                                                         |
| DATA SHEET                        |                                                                                    |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 3.5 V ~ 30 V, ±1.75 V ~ 15 V                                                       |
| VOLTAGE - INPUT OFFSET (MAX)      | 3mV @ ±15V                                                                         |
| TYPE                              | General Purpose                                                                    |
| SUPPLIER DEVICE PACKAGE           | 8-SOIC                                                                             |
| SERIES                            | -                                                                                  |
| PROPAGATION DELAY (MAX)           | -                                                                                  |
| PACKAGING                         | Tube                                                                               |
| PACKAGE / CASE                    | 8-SOIC (0.154", 3.90mm Width)                                                      |
| OUTPUT TYPE                       | DTL, MOS, Open-Collector, Open-Emitter, RTL, TTL                                   |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                                      |
| NUMBER OF ELEMENTS                | 1                                                                                  |
| MOUNTING TYPE                     | Surface Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                      |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                         |
| HYSTERESIS                        | -                                                                                  |
| DETAILED DESCRIPTION              | Comparator General Purpose DTL, MOS, Open-Collector, Open-Emitter, RTL, TTL 8-SOIC |
| CURRENT - QUIESCENT (MAX)         | 6mA                                                                                |
| CURRENT - OUTPUT (TYP)            | 50mA                                                                               |
| CURRENT - INPUT BIAS (MAX)        | 0.1µA @ ±15V                                                                       |
| CMRR, PSRR (TYP)                  | -                                                                                  |
| BASE PART NUMBER                  | LM211                                                                              |
