| QUANTITY AVAILABLE               | 6088 pcs                                                                                                  |
| DATA SHEET                       |  TCS11SLU(TE85L,F).pdf |
| VOLTAGE - SUPPLY                 | 2.3 V ~ 3.6 V                                                                                             |
| TEST CONDITION                   | 25°C                                                                                                      |
| TECHNOLOGY                       | Hall Effect                                                                                               |
| SUPPLIER DEVICE PACKAGE          | UFV                                                                                                       |
| SERIES                           | TCS                                                                                                       |
| SENSING RANGE                    | 2.5mT Trip, 0.3mT Release                                                                                 |
| POLARIZATION                     | South Pole                                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                          |
| PACKAGE / CASE                   | 6-SMD (5 Leads), Flat Lead                                                                                |
| OUTPUT TYPE                      | Open Drain                                                                                                |
| OTHER NAMES                      | TCS11SLU(TE85LF)TR                                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| FUNCTION                         | Unipolar Switch                                                                                           |
| FEATURES                         | -                                                                                                         |
| DETAILED DESCRIPTION             | Digital Switch Unipolar Switch Open Drain Hall Effect UFV                                                 |
| CURRENT - SUPPLY (MAX)           | 1.3mA                                                                                                     |
| CURRENT - OUTPUT (MAX)           | 5mA                                                                                                       |
