|                                   |                                                                 |
|-----------------------------------|-----------------------------------------------------------------|
| PART NUMBER                       | LM2901PWG4                                                      |
| MANUFACTURER                      | N/A                                                             |
| DESCRIPTION                       | IC DIFF COMPARATOR QUAD 14-TSSOP                                |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                      |
| QUANTITY AVAILABLE                | 771705 pcs                                                      |
| DATA SHEET                        |                                                                 |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 30 V, ±1 V ~ 15 V                                         |
| VOLTAGE - INPUT OFFSET (MAX)      | 7mV @ 30V                                                       |
| TYPE                              | Differential                                                    |
| SUPPLIER DEVICE PACKAGE           | 14-TSSOP                                                        |
| SERIES                            | -                                                               |
| PROPAGATION DELAY (MAX)           | -                                                               |
| PACKAGING                         | Tube                                                            |
| PACKAGE / CASE                    | 14-TSSOP (0.173", 4.40mm Width)                                 |
| OUTPUT TYPE                       | CMOS, MOS, Open-Collector, TTL                                  |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                                   |
| NUMBER OF ELEMENTS                | 4                                                               |
| MOUNTING TYPE                     | Surface Mount                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                   |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                      |
| HYSTERESIS                        | -                                                               |
| DETAILED DESCRIPTION              | Comparator Differential CMOS, MOS, Open-Collector, TTL 14-TSSOP |
| CURRENT - QUIESCENT (MAX)         | 2.5mA                                                           |
| CURRENT - OUTPUT (TYP)            | 20mA                                                            |
| CURRENT - INPUT BIAS (MAX)        | 0.25µA @ 5V                                                     |
| CMRR, PSRR (TYP)                  | -                                                               |
| BASE PART NUMBER                  | LM2901                                                          |
