218-8LPS

|                     |                                |
|---------------------|--------------------------------|
| Part Number:        | 218-8LPS                       |
| Manufacturer/Brand: | CTS Electronic Components      |
| Product description | SWITCH SLIDE DIP SPST 25MA 24V |
| Datasheets:         | 218-8LPS.pdf                   |
| RoHs Status         | Lead free / RoHS Compliant     |
| Stock Condition     | 102998 pcs stock               |
| Ship From           | Hong Kong                      |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS          |

| MANUFACTURER                     | CTS Electronic Components                                                     |
| DESCRIPTION                      | SWITCH SLIDE DIP SPST 25MA 24V                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| QUANTITY AVAILABLE               | 102998 pcs                                                                    |
| DATA SHEET                       | 218-8LPS.pdf                                                                  |
| WASHABLE                         | No                                                                            |
| VOLTAGE RATING                   | 24VDC                                                                         |
| TERMINATION STYLE                | Gull Wing                                                                     |
| SERIES                           | 218                                                                           |
| PITCH                            | 0.050" (1.27mm), Half                                                         |
| PACKAGING                        | Tube                                                                          |
| OTHER NAMES                      | 218008LPS<br>2188LPS                                                          |
| OPERATING TEMPERATURE            | -55°C ~ 85°C                                                                  |
| NUMBER OF POSITIONS              | 8                                                                             |
| MOUNTING TYPE                    | Surface Mount                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                 |
| MECHANICAL LIFE                  | -                                                                             |
| LENGTH                           | 0.446" (11.33mm)                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                    |
| HEIGHT ABOVE BOARD               | 0.104" (2.65mm)                                                               |
| FEATURES                         | Epoxy Sealed Terminals                                                        |
| ELECTRICAL LIFE                  | 1,000 Cycles                                                                  |
| DETAILED DESCRIPTION             | Dip Switch SPST 8 Position Surface Mount Slide (Standard) Actuator 25mA 24VDC |
| CURRENT RATING                   | 25mA                                                                          |
| CONTACT MATERIAL                 | Beryllium Copper                                                              |
| CONTACT FINISH                   | Gold                                                                          |
| CIRCUIT                          | SPST                                                                          |
| BODY MATERIAL                    | -                                                                             |
| ACTUATOR TYPE                    | Slide (Standard)                                                              |
| ACTUATOR LEVEL                   | Flush, Recessed                                                               |
