

Avago Technologies (Broadcom Limited)

Limited)

Part Number:ACPL-K376-060E

Manufacturer/Brand:Avago Technologies (Broadcom Limited)

Product description:OPTOISO 5KV DARL 8-SO STRETCHED

Datasheets: ACPL-K376-060E.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:29289 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of ACPL-K376-060E

|                                  |                                                                                                        |

| QUANTITY AVAILABLE               | 29289 pcs                                                                                              |
| DATA SHEET                       |  ACPL-K376-060E.pdf |
| VOLTAGE - OUTPUT (MAX)           | 20V                                                                                                    |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                               |
| VOLTAGE - FORWARD (VF) (TYP)     | -                                                                                                      |
| VCE SATURATION (MAX)             | -                                                                                                      |
| TURN ON / TURN OFF TIME (TYP)    | 6.3µs, 6.4µs                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 8-SO Stretched                                                                                         |
| SERIES                           | -                                                                                                      |
| RISE / FALL TIME (TYP)           | 24µs, 0.4µs                                                                                            |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 8-SOIC (0.268", 6.81mm Width)                                                                          |
| OUTPUT TYPE                      | Darlington                                                                                             |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                                          |
| NUMBER OF CHANNELS               | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INPUT TYPE                       | AC, DC                                                                                                 |
| DETAILED DESCRIPTION             | Optoisolator Darlington Output 5000Vrms 1 Channel 8-SO Stretched                                       |
| CURRENT TRANSFER RATIO (MIN)     | -                                                                                                      |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                                      |
| CURRENT - OUTPUT / CHANNEL       | 30mA                                                                                                   |
