

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

Part Number: NCP720BMT110TBG

Manufacturer/Brand: AMI Semiconductor / ON Semiconductor

Product description: IC REG LINEAR 1.1V 350MA 6WDFN

Datasheets:  NCP720BMT110TBG.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 667851 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

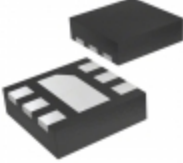

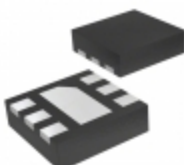

Specifications of NCP720BMT110TBG

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|

| DESCRIPTION                      | IC REG LINEAR 1.1V 350MA 6WDFN                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 667851 pcs                                                                                              |
| DATA SHEET                       |  NCP720BMT110TBG.pdf |
| VOLTAGE DROPOUT (MAX)            | 1.4V @ 350mA                                                                                            |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.1V                                                                                                    |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                       |
| VOLTAGE - INPUT (MAX)            | 5.5V                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 6-WDFN (2x2)                                                                                            |
| SERIES                           | -                                                                                                       |
| PROTECTION FEATURES              | Over Current, Over Temperature, Under Voltage Lockout (UVLO)                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                        |
| PACKAGE / CASE                   | 6-WDFN Exposed Pad                                                                                      |
| PSRR                             | 65dB ~ 25dB (1kHz ~ 1MHz)                                                                               |
| OUTPUT TYPE                      | Fixed                                                                                                   |
| OUTPUT CONFIGURATION             | Positive                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                           |
| NUMBER OF REGULATORS             | 1                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 1.1V 350mA 6-WDFN (2x2)                             |
| CURRENT - OUTPUT                 | 350mA                                                                                                   |
| CONTROL FEATURES                 | Enable                                                                                                  |
