Specifications of TL-Q5MB1

|                                  |                                                     |
|----------------------------------|-----------------------------------------------------|
| PART NUMBER                      | TL-Q5MB1                                            |
| MANUFACTURER                     | Omron Automation & Safety                           |
| DESCRIPTION                      | SENSOR PROXIMITY NO 5MM                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| QUANTITY AVAILABLE               | 1186 pcs                                            |
| DATA SHEET                       |                                                     |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                         |
| TERMINATION STYLE                | Cable Leads                                         |
| SHIELDING                        | Unshielded                                          |
| SERIES                           | -                                                   |
| SENSOR TYPE                      | Inductive                                           |
| SENSING DISTANCE                 | 0.197" (5mm)                                        |
| RESPONSE FREQUENCY               | 500Hz                                               |
| PACKAGE / CASE                   | Module                                              |
| OUTPUT TYPE                      | PNP-NO, 3-Wire                                      |
| OTHER NAMES                      | TLQ5MB1                                             |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                       |
| MATERIAL - BODY                  | Plastic                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                          |
| INGRESS PROTECTION               | IP67                                                |
| INDICATOR                        | LED                                                 |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.197" (5mm) IP67 Module |
