Specifications of E2E-C1C1-R

|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | E2E-C1C1-R                                            |
| MANUFACTURER                     | Omron Automation & Safety                             |
| DESCRIPTION                      | SENS PRX 5.4MMDIA 1MMDIST NPN-NO                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| QUANTITY AVAILABLE               | 3099 pcs                                              |
| DATA SHEET                       |                                                       |
| VOLTAGE - SUPPLY                 | 10 V ~ 30 V                                           |
| TERMINATION STYLE                | Cable Leads                                           |
| SHIELDING                        | Shielded                                              |
| SERIES                           | E2E                                                   |
| SENSOR TYPE                      | Inductive                                             |
| SENSING DISTANCE                 | 0.039" (1mm)                                          |
| RESPONSE FREQUENCY               | 3kHz                                                  |
| PACKAGE / CASE                   | Cylinder                                              |
| OUTPUT TYPE                      | NPN-NO, 3-Wire                                        |
| OTHER NAMES                      | E2EC1C1R                                              |
| OPERATING TEMPERATURE            | -25°C ~ 70°C                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                         |
| MATERIAL - BODY                  | Nickel-Plated Brass                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                            |
| INGRESS PROTECTION               | IP67                                                  |
| INDICATOR                        | LED                                                   |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.039" (1mm) IP67 Cylinder |
