| DESCRIPTION                      | IC ENERGY MONITOR I2C 16MSOP                                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| QUANTITY AVAILABLE               | 16601 pcs                                                                                                                  |
| DATA SHEET                       |  <a href="#">LTC2946HMS-1#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | 2.7V ~ 100V                                                                                                                |
| VOLTAGE - I/O LOW                | -                                                                                                                          |
| VOLTAGE - I/O HIGH               | -                                                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 16-MSOP                                                                                                                    |
| SERIES                           | -                                                                                                                          |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 16-TFSOP (0.118", 3.00mm Width)                                                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                                              |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| METER TYPE                       | Single Phase                                                                                                               |
| MEASUREMENT ERROR                | 0.5%                                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| INPUT IMPEDANCE                  | -                                                                                                                          |
| DETAILED DESCRIPTION             | Single Phase Meter IC 16-MSOP                                                                                              |
| CURRENT - SUPPLY                 | 900μA                                                                                                                      |
