

CYWB0120AB-BVXI

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | CYWB0120AB-BVXI                                                                                              |
| Manufacturer/Brand: | Cypress Semiconductor                                                                                        |
| Product description | IC WEST BRIDGE ANTIOCH 100VFBGA                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 5894 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

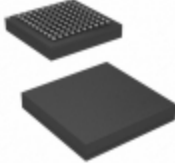

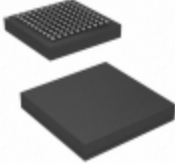

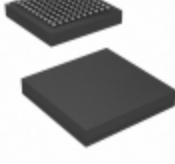

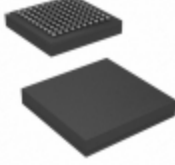

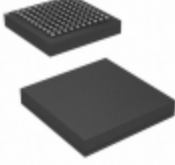

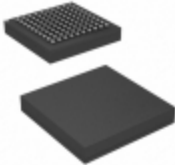

Specifications of CYWB0120AB-BVXI

|                                  |                                                                        |
|----------------------------------|------------------------------------------------------------------------|
| PART NUMBER                      | CYWB0120AB-BVXI                                                        |
| MANUFACTURER                     | Cypress Semiconductor                                                  |
| DESCRIPTION                      | IC WEST BRIDGE ANTIOCH 100VFBGA                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| QUANTITY AVAILABLE               | 5894 pcs                                                               |
| DATA SHEET                       |                                                                        |
| VOLTAGE - SUPPLY                 | 1.8 V ~ 3.3 V                                                          |
| SUPPLIER DEVICE PACKAGE          | 100-VFBGA (6x6)                                                        |
| STANDARDS                        | USB 2.0                                                                |
| SERIES                           | West Bridge® Antioch™                                                  |
| PROTOCOL                         | USB, Memory Card                                                       |
| PACKAGING                        | Tray                                                                   |
| PACKAGE / CASE                   | 100-VFBGA                                                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| INTERFACE                        | Parallel                                                               |
| FUNCTION                         | Controller                                                             |
| DETAILED DESCRIPTION             | USB, Memory Card Controller USB 2.0 Parallel Interface 100-VFBGA (6x6) |
| CURRENT - SUPPLY                 | 110mA                                                                  |
| BASE PART NUMBER                 | CYWB012*AB                                                             |
