

SII Semiconductor Corporation

Part Number: S-817A50ANB-CVNT2G

Manufacturer/Brand: SII Semiconductor Corporation

Product description: IC REG LINEAR 5V 75MA SC82AB

Datasheets:  S-817A50ANB-CVNT2G.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 333424 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

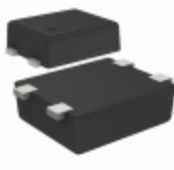

Specifications of S-817A50ANB-CVNT2G

|                                  |                                                                                                            |
|----------------------------------|------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-817A50ANB-CVNT2G                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                              |
| DESCRIPTION                      | IC REG LINEAR 5V 75MA SC82AB                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 333424 pcs                                                                                                 |
| DATA SHEET                       |  S-817A50ANB-CVNT2G.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.25V @ 10mA                                                                                               |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 5V                                                                                                         |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                          |
| VOLTAGE - INPUT (MAX)            | 10V                                                                                                        |
| SUPPLIER DEVICE PACKAGE          | SC-82AB                                                                                                    |
| SERIES                           | S-817                                                                                                      |
| PROTECTION FEATURES              | Short Circuit                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                           |
| PACKAGE / CASE                   | SC-82A, SOT-343                                                                                            |
| PSRR                             | -                                                                                                          |
| OUTPUT TYPE                      | Fixed                                                                                                      |
| OUTPUT CONFIGURATION             | Positive                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                          |
| NUMBER OF REGULATORS             | 1                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 5V 75mA SC-82AB                                        |
| CURRENT - QUIESCENT (IQ)         | 2.5µA                                                                                                      |
| CURRENT - OUTPUT                 | 75mA                                                                                                       |
| CONTROL FEATURES                 | -                                                                                                          |
