

DCE-ANT2458-MC

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | DCE-ANT2458-MC                  |
| Manufacturer/Brand: | Laird Technologies - Antennas   |
| Product description | RF ANT 2.4GHZ/5GHZ PAN MC ML 8" |
| Datasheets:         | DCE-ANT2458-MC.pdf              |
| RoHs Status         | Lead free / RoHS Compliant      |
| Stock Condition     | 1191 pcs stock                  |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

REQUEST FOR QUOTATION

| MANUFACTURER                     | Laird Technologies - Antennas                                                                                   |
| DESCRIPTION                      | RF ANT 2.4GHZ/5GHZ PAN MC ML 8"                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                      |
| QUANTITY AVAILABLE               | 1191 pcs                                                                                                        |
| DATA SHEET                       | DCE-ANT2458-MC.pdf                                                                                              |
| VSWR                             | 1.5                                                                                                             |
| TERMINATION                      | Connector, MC Male                                                                                              |
| SERIES                           | DCE                                                                                                             |
| RETURN LOSS                      | -                                                                                                               |
| POWER - MAX                      | 100W                                                                                                            |
| PACKAGING                        | Bulk                                                                                                            |
| NUMBER OF BANDS                  | 2                                                                                                               |
| MOUNTING TYPE                    | Bracket Mount                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                      |
| INGRESS PROTECTION               | -                                                                                                               |
| HEIGHT (MAX)                     | 2.250" (57.15mm)                                                                                                |
| GAIN                             | 12dBi, 15dBi                                                                                                    |
| FREQUENCY RANGE                  | 2.4GHz ~ 2.485GHz, 4.9GHz ~ 5.85GHz                                                                             |
| FREQUENCY GROUP                  | UHF (2 GHz ~ 3 GHz), SHF (f > 4 GHz)                                                                            |
| FREQUENCY (CENTER/BAND)          | 2.4GHz, 5GHz                                                                                                    |
| FEATURES                         | -                                                                                                               |
| DETAILED DESCRIPTION             | 2.4GHz, 5GHz Panel RF Antenna 2.4GHz ~ 2.485GHz, 4.9GHz ~ 5.85GHz 12dBi, 15dBi Connector, MC Male Bracket Mount |
| APPLICATIONS                     | -                                                                                                               |
| ANTENNA TYPE                     | Panel                                                                                                           |
