| DESCRIPTION                      | SENSOR 14 VDC TO 32.5 VDC                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 3421 pcs                                                                           |
| DATA SHEET                       |                                                                                    |
| VOLTAGE - SUPPLY                 | 14 V ~ 32.5 V                                                                      |
| TERMINATION STYLE                | Connector                                                                          |
| SHIELDING                        | Unshielded                                                                         |
| SERIES                           | -                                                                                  |
| SENSOR TYPE                      | Inductive                                                                          |
| SENSING DISTANCE                 | 0.039" ~ 0.078" (1mm ~ 1.99mm)                                                     |
| RESPONSE FREQUENCY               | -                                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded - M12                                                           |
| OUTPUT TYPE                      | NPN-NO, 3-Wire                                                                     |
| OPERATING TEMPERATURE            | -55°C ~ 85°C                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| MATERIAL - BODY                  | Stainless Steel                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INGRESS PROTECTION               | -                                                                                  |
| INDICATOR                        | No Indicator                                                                       |
| DETAILED DESCRIPTION             | Inductive Proximity Sensor 0.039" ~ 0.078" (1mm ~ 1.99mm) Cylinder, Threaded - M12 |
