

AMI Semiconductor / ON

Semiconductor

Part Number:MC14504BCPG

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC TRNSLTR UNIDIRECTIONAL 16DIP

Datasheets: MC14504BCPG.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:4622 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

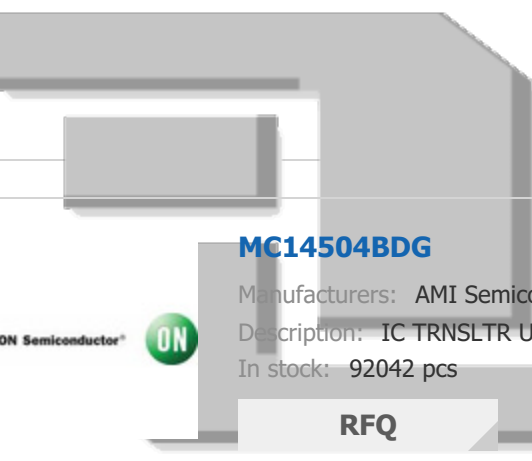

Specifications of MC14504BCPG

|                                  |                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------|

| DATA SHEET                       |  MC14504BCPG.pdf |
| VOLTAGE - VCCB                   | 3V ~ 18V                                                                                            |
| VOLTAGE - VCCA                   | 3V ~ 18V                                                                                            |
| TRANSLATOR TYPE                  | Voltage Level                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 16-DIP                                                                                              |
| SERIES                           | -                                                                                                   |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 16-DIP (0.300", 7.62mm)                                                                             |
| OUTPUT TYPE                      | Non-Inverted                                                                                        |
| OUTPUT SIGNAL                    | -                                                                                                   |
| OTHER NAMES                      | MC14504BCPGOS                                                                                       |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                  |
| NUMBER OF CIRCUITS               | 1                                                                                                   |
| MOUNTING TYPE                    | Through Hole                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| INPUT SIGNAL                     | -                                                                                                   |
| FEATURES                         | -                                                                                                   |
| DETAILED DESCRIPTION             | Voltage Level Translator Unidirectional 1 Circuit 6 Channel 16-DIP                                  |
| DATA RATE                        | -                                                                                                   |
| CHANNELS PER CIRCUIT             | 6                                                                                                   |
| CHANNEL TYPE                     | Unidirectional                                                                                      |
