#### Specifications of SN74BCT25244DWR

|                                  |                                                                                        |
|----------------------------------|----------------------------------------------------------------------------------------|
| PART NUMBER                      | SN74BCT25244DWR                                                                        |
| MANUFACTURER                     | N/A                                                                                    |
| DESCRIPTION                      | IC BUF NON-INVERT 5.5V 24SOIC                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                             |
| QUANTITY AVAILABLE               | 26850 pcs                                                                              |
| DATA SHEET                       |                                                                                        |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                          |
| SUPPLIER DEVICE PACKAGE          | 24-SOIC                                                                                |
| SERIES                           | 74BCT                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                       |
| PACKAGE / CASE                   | 24-SOIC (0.295", 7.50mm Width)                                                         |
| OUTPUT TYPE                      | 3-State                                                                                |
| OTHER NAMES                      | SN74BCT25244DWRE4<br>SN74BCT25244DWRE4-ND<br>SN74BCT25244DWRG4<br>SN74BCT25244DWRG4-ND |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                        |
| NUMBER OF ELEMENTS               | 2                                                                                      |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                          |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                             |
| INPUT TYPE                       | -                                                                                      |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 4 Bit per Element 3-State Output 24-SOIC               |
| CURRENT - OUTPUT HIGH, LOW       | 80mA, 188mA                                                                            |
| BASE PART NUMBER                 | 74BCT25244                                                                             |
