## S-80133BNMC-JGST2U

|                     |                                                                                                                          |
|---------------------|--------------------------------------------------------------------------------------------------------------------------|
| Part Number:        | S-80133BNMC-JGST2U                                                                                                       |
| Manufacturer/Brand: | SII Semiconductor Corporation                                                                                            |
| Product description | IC VOLT DETECTOR 3.3V SOT23-5                                                                                            |
| Datasheets:         |  <a href="#">S-80133BNMC-JGST2U.pdf</a> |
| RoHs Status         |  Lead free / RoHS Compliant             |
| Stock Condition     | 305267 pcs stock                                                                                                         |
| Ship From           | Hong Kong                                                                                                                |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                    |

REQUEST FOR QUOTATION

### Specifications of S-80133BNMC-JGST2U

|                                  |                                                                                                                            |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | S-80133BNMC-JGST2U                                                                                                         |
| MANUFACTURER                     | SII Semiconductor Corporation                                                                                              |
| DESCRIPTION                      | IC VOLT DETECTOR 3.3V SOT23-5                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| QUANTITY AVAILABLE               | 305267 pcs                                                                                                                 |
| DATA SHEET                       |  <a href="#">S-80133BNMC-JGST2U.pdf</a> |
| VOLTAGE - THRESHOLD              | 3.3V                                                                                                                       |
| TYPE                             | Voltage Detector                                                                                                           |
| SUPPLIER DEVICE PACKAGE          | SOT-23-5                                                                                                                   |
| SERIES                           | S-801                                                                                                                      |
| RESET TIMEOUT                    | 65 ms Minimum                                                                                                              |
| RESET                            | Active Low                                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | SC-74A, SOT-753                                                                                                            |
| OUTPUT                           | Open Drain or Open Collector                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                          |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel SOT-23-5                                                                 |
