

ON Semiconductor®  

AMI Semiconductor / ON

Semiconductor

  
ON Semiconductor®  

Part Number:MC74LCX158DR2

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC MUX QUAD 2INPUT LV 16-SOIC

Datasheets: MC74LCX158DR2.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:5953 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC74LCX158DR2

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74LCX158DR2                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC MUX QUAD 2INPUT LV 16-SOIC                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| QUANTITY AVAILABLE               | 5953 pcs                                                                                              |
| DATA SHEET                       |  MC74LCX158DR2.pdf |
| VOLTAGE SUPPLY SOURCE            | Single Supply                                                                                         |
| VOLTAGE - SUPPLY                 | 2 V ~ 3.6 V                                                                                           |
| TYPE                             | Multiplexer                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 16-SOIC                                                                                               |
| SERIES                           | 74LCX                                                                                                 |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 16-SOIC (0.154", 3.90mm Width)                                                                        |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| INDEPENDENT CIRCUITS             | 1                                                                                                     |
| DETAILED DESCRIPTION             | Multiplexer 4 x 2:1 16-SOIC                                                                           |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                                              |
| CIRCUIT                          | 4 x 2:1                                                                                               |
| BASE PART NUMBER                 | 74LCX158                                                                                              |
