| QUANTITY AVAILABLE               | 24450 pcs                                                                                                                  |
| DATA SHEET                       |  <a href="#">CY8C4248LQI-BL483T.pdf</a> |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.71 V ~ 5.5 V                                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 56-QFN (7x7)                                                                                                               |
| SPEED                            | 48MHz                                                                                                                      |
| SERIES                           | PSOC® 4 CY8C4xx8 BLE                                                                                                       |
| RAM SIZE                         | 32K x 8                                                                                                                    |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                                      |
| PROGRAM MEMORY SIZE              | 256KB (256K x 8)                                                                                                           |
| PERIPHERALS                      | Bluetooth, Brown-out Detect/Reset, Cap Sense, DMA LCD, LVD, POR, PWM, SmartCard, SmartSense, WDT                           |
| PACKAGING                        | Tape & Reel (TR)                                                                                                           |
| PACKAGE / CASE                   | 56-UFQFN Exposed Pad                                                                                                       |
| OSCILLATOR TYPE                  | Internal                                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                          |
| NUMBER OF I/O                    | 36                                                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                                 |
| EEPROM SIZE                      | -                                                                                                                          |
| DETAILED DESCRIPTION             | ARM® Cortex®-M0 PSOC® 4 CY8C4xx8 BLE Microcontroller IC 32-Bit 48MHz 256KB (256K x 8) FLASH 56-QFN (7x7)                   |
| DATA CONVERTERS                  | A/D 8x12b                                                                                                                  |
| CORE SIZE                        | 32-Bit                                                                                                                     |
| CORE PROCESSOR                   | ARM® Cortex®-M0                                                                                                            |
| CONNECTIVITY                     | I²C, IrDA, LINbus, Microwire, SmartCard, SPI, SSP, UART/USART                                                              |
