Specifications of HPC36003V30

|                                  |                                                          |
|----------------------------------|----------------------------------------------------------|
| PART NUMBER                      | HPC36003V30                                              |
| MANUFACTURER                     | N/A                                                      |
| DESCRIPTION                      | IC MCU 16BIT ROMLESS 68PLCC                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| QUANTITY AVAILABLE               | 5630 pcs                                                 |
| DATA SHEET                       |                                                          |
| VOLTAGE - SUPPLY (VCC/VDD)       | 4.5 V ~ 5.5 V                                            |
| SUPPLIER DEVICE PACKAGE          | 68-PLCC                                                  |
| SPEED                            | 30MHz                                                    |
| SERIES                           | HPC™                                                     |
| RAM SIZE                         | 256 x 8                                                  |
| PROGRAM MEMORY TYPE              | ROMless                                                  |
| PROGRAM MEMORY SIZE              | -                                                        |
| PERIPHERALS                      | PWM, WDT                                                 |
| PACKAGING                        | Tube                                                     |
| PACKAGE / CASE                   | 68-LCC (J-Lead)                                          |
| OTHER NAMES                      | *HPC36003V30                                             |
| OSCILLATOR TYPE                  | External                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                        |
| NUMBER OF I/O                    | 52                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                               |
| EEPROM SIZE                      | -                                                        |
| DETAILED DESCRIPTION             | HPC HPC™ Microcontroller IC 16-Bit 30MHz ROMless 68-PLCC |
| DATA CONVERTERS                  | -                                                        |
| CORE SIZE                        | 16-Bit                                                   |
| CORE PROCESSOR                   | HPC                                                      |
| CONNECTIVITY                     | Microwire/Plus (SPI), UART/USART                         |
| BASE PART NUMBER                 | HPC36003V30                                              |
