

Micrel / Microchip Technology

SST39WF400B-70-4I-VA

Part Number: SST39WF400B-70-4I-VA

Manufacturer/Brand: Micrel / Microchip Technology

Product description: IC FLASH 4M PARALLEL

Datasheets:  SST39WF400B-70-4I-VA.pdf

RoHS Status:  Lead free / RoHS Compliant

Stock Condition: 5686 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Image may be representation. See specifications for product details.

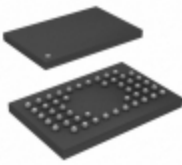

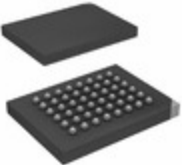

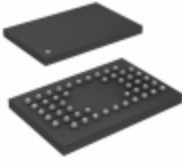

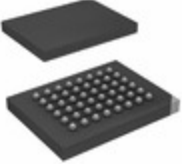

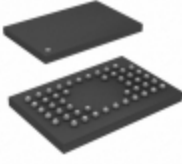

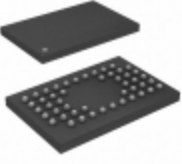

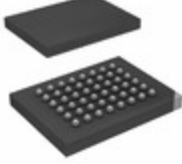

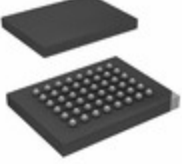

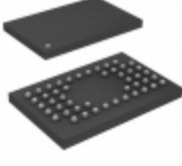

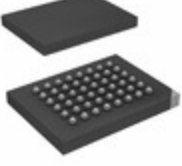

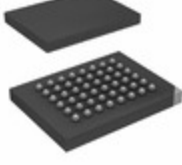

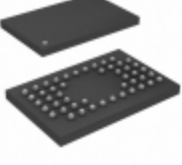

Specifications of SST39WF400B-70-4I-VA

|                                  |                                                                                                              |

| DESCRIPTION                      | IC FLASH 4M PARALLEL                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                   |
| QUANTITY AVAILABLE               | 5686 pcs                                                                                                     |
| DATA SHEET                       |  SST39WF400B-70-4I-VA.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 40µs                                                                                                         |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 1.95 V                                                                                              |
| TECHNOLOGY                       | FLASH                                                                                                        |
| SERIES                           | SST39 MPF™                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                |
| MEMORY TYPE                      | Non-Volatile                                                                                                 |
| MEMORY SIZE                      | 4Mb (256K x 16)                                                                                              |
| MEMORY INTERFACE                 | Parallel                                                                                                     |
| MEMORY FORMAT                    | FLASH                                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                   |
| DETAILED DESCRIPTION             | FLASH Memory IC 4Mb (256K x 16) Parallel 70ns                                                                |
| ACCESS TIME                      | 70ns                                                                                                         |
