

2905662

Part Number:

2905662

Manufacturer/Brand:

Phoenix Contact

Product description

RELAY GEN PURPOSE DPDT 5A 230V

Datasheets:

 2905662.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

4824 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

| DESCRIPTION                    | RELAY GEN PURPOSE DPDT 5A 230V                                                                  |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                                      |
| QUANTITY AVAILABLE             | 4824 pcs                                                                                        |
| DATA SHEET                     |  2905662.pdf |
| TURN ON VOLTAGE (MAX)          | -                                                                                               |
| TURN OFF VOLTAGE (MIN)         | -                                                                                               |
| TERMINATION STYLE              | Screw Terminal                                                                                  |
| SWITCHING VOLTAGE              | 250VAC, 250VDC - Max                                                                            |
| SERIES                         | RIF                                                                                             |
| RELEASE TIME                   | 20ms                                                                                            |
| RELAY TYPE                     | General Purpose with Socket                                                                     |
| PACKAGING                      | Bulk                                                                                            |
| OTHER NAMES                    | 277-17691<br>RIF-1-RSC-LV-230AC/2X21MS                                                          |
| OPERATING TEMPERATURE          | -40°C ~ 45°C                                                                                    |
| OPERATE TIME                   | 12ms                                                                                            |
| MOUNTING TYPE                  | DIN Rail                                                                                        |
| LEAD FREE STATUS / ROHS STATUS | Lead free / RoHS Compliant                                                                      |
| FEATURES                       | LED Indicator, Varistor                                                                         |
| DETAILED DESCRIPTION           | General Purpose with Socket Relay DPDT (2 Form C) 230VAC Coil DIN Rail                          |
| CONTACT RATING (CURRENT)       | 5A                                                                                              |
| CONTACT MATERIAL               | Silver Nickel (AgNi)                                                                            |
| CONTACT FORM                   | DPDT (2 Form C)                                                                                 |
| COIL VOLTAGE                   | 230VAC                                                                                          |
| COIL TYPE                      | Non Latching                                                                                    |
| COIL RESISTANCE                | 51.11 kOhms                                                                                     |
| COIL POWER                     | 1.04 W                                                                                          |
| COIL CURRENT                   | 4.5mA                                                                                           |
