MT29F2G16ABBEAM69A3WC1

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MT29F2G16ABBEAM69A3WC1                                                                                       |
| Manufacturer/Brand: | Micron Technology                                                                                            |
| Product description | IC FLASH 2G PARALLEL                                                                                         |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 18770 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of MT29F2G16ABBEAM69A3WC1

|                                  |                                                 |
|----------------------------------|-------------------------------------------------|
| PART NUMBER                      | MT29F2G16ABBEAM69A3WC1                          |
| MANUFACTURER                     | Micron Technology                               |
| DESCRIPTION                      | IC FLASH 2G PARALLEL                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                      |
| QUANTITY AVAILABLE               | 18770 pcs                                       |
| DATA SHEET                       |                                                 |
| WRITE CYCLE TIME - WORD, PAGE    | -                                               |
| VOLTAGE - SUPPLY                 | 1.7 V ~ 1.95 V                                  |
| TECHNOLOGY                       | FLASH - NAND                                    |
| SERIES                           | -                                               |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                   |
| MEMORY TYPE                      | Non-Volatile                                    |
| MEMORY SIZE                      | 2Gb (128M x 16)                                 |
| MEMORY INTERFACE                 | Parallel                                        |
| MEMORY FORMAT                    | FLASH                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                      |
| DETAILED DESCRIPTION             | FLASH - NAND Memory IC 2Gb (128M x 16) Parallel |
