| QUANTITY AVAILABLE                | 3137 pcs                                                                                              |
| DATA SHEET                        |  ICL7631ECSE-T.pdf |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2 V ~ 16 V, ±1 V ~ 8 V                                                                                |
| VOLTAGE - INPUT OFFSET            | 20mV                                                                                                  |
| SUPPLIER DEVICE PACKAGE           | 16-SOIC                                                                                               |
| SLEW RATE                         | 1.6 V/μs                                                                                              |
| SERIES                            | -                                                                                                     |
| PACKAGING                         | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                    | 16-SOIC (0.154", 3.90mm Width)                                                                        |
| OUTPUT TYPE                       | Rail-to-Rail                                                                                          |
| OPERATING TEMPERATURE             | 0°C ~ 70°C                                                                                            |
| NUMBER OF CIRCUITS                | 3                                                                                                     |
| MOUNTING TYPE                     | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                                                            |
| GAIN BANDWIDTH PRODUCT            | 1.4MHz                                                                                                |
| DETAILED DESCRIPTION              | General Purpose Amplifier 3 Circuit Rail-to-Rail 16-SOIC                                              |
| CURRENT - SUPPLY                  | 1mA                                                                                                   |
| CURRENT - INPUT BIAS              | 1pA                                                                                                   |
| BASE PART NUMBER                  | ICL7631                                                                                               |
| AMPLIFIER TYPE                    | General Purpose                                                                                       |
